Dear Mr. Holmes:

In our letter of July 7, 2015, we informed you that your facility was not in substantial compliance with Federal requirements for skilled nursing facilities. This decision was based on the results of survey completed on July 6, 2015. Our letter also stated that a denial of payment for new Medicare/Medicaid admissions (DoPNA) would be imposed for all individuals admitted to your facility effective October 6, 2015.

The revisit conducted on August 21, 2015 indicates that corrections have been made and your facility is in substantial compliance effective August 4, 2015. Consequently, the denial of payment for new admissions will not be effectuated.

If you have any questions concerning your compliance, please contact me at (785) 368-7055.

Sincerely,
